Financial Options

Why a tier tuition system? At Camp Huckins, we know the value and lasting impact a Huckins Experience can have. We strive to ensure that a Huckins summer camp experience is accessible to as many children as possible. Rather than raising rates across the board and pricing some families out of a Huckins experience, we offer a voluntary 3 tier tuition system that recognizes that families have different abilities to pay. This is an honor system and your family's tier choice is strictly confidential. All campers receive the same incredible Huckins experience no matter which tier they choose to pay. Tier One \$2,750 This price most accurately reflects the full cost of operating and maintaining Camp. This tier helps to ensure that Huckins is available and thriving for future generations of campers. Tier Two \$2,525 Thanks to the efforts of our hardworking volunteers and donors, we are able to offer tier 2 for those families who need some assistance with the full cost of camp. This tuition tier is partially subsidized for each camper through the Huckins Fund. Tier Three \$1,025 This tier tuition is subsidized by the Huckins Fund and endowment funds. It is designed to assist those who might otherwise be unable to attend camp. Families planning to apply for financial assistance should register at Tier 3.

Tier Choice

Please choose the tier option you feel your family is best able to pay *

Tier 1-The full cost of a session at Camp.

Tier 2- For those families who need some assistance with the full cost of camp.

Tier 3-Designed to assist those who might otherwise be unable to attend camp.
